Rampantly Rambling
Ruminations

Howdy fellow Commodore Users!

At this month's meeting, prepare to bring an appetite instead of a computer to our club meeting. We decided to throw a picnic at our August 20th meeting. Bring your favorite picnic goodies, a covered dish (with something good to eat inside), and your eating utensils. Check our club's webpage for a map.

I'm sure there will be a map in the newsletter, as well. For those who are good at not getting lost, it's on North Bend Road in Carthage, on the 300 block. The name of the park is Caldwell Park. There is only one shelter, and we will try to all be there, and ready to eat promptly at 2. Some of the things to do include a playground, a pool, a baseball diamond, and lots of lawn area for maybe a game of tug-of-war?

While I was talking with Roger Hoyer this month, it suddenly dawned on me that September was fast approaching, and now is that time of the year to start planning for Chicago's Expo. In past years, notable visitors such as Jim Butterfield, and the stand out members of other clubs, Maurice Randall from Lansing Area Commodore Club, Dale Sidebottom from LUCKY, along with the local

talent from the South West Regional Association of Programmers, made it an interesting show with their various demos. September 23, 2000 is the date, 9 AM - 5 PM is the time, Ramada Inn - Chicago South Interstate 80 & Halsted Ave North Harvey, Illinois is the location. This is located on the Southern End of Chicago, close to the Indiana border, average drive time from northern Cincinnati is about 6 hours. If you plan to go don't forget you also change time zones (that happens on the way there, and on the way back...btw)

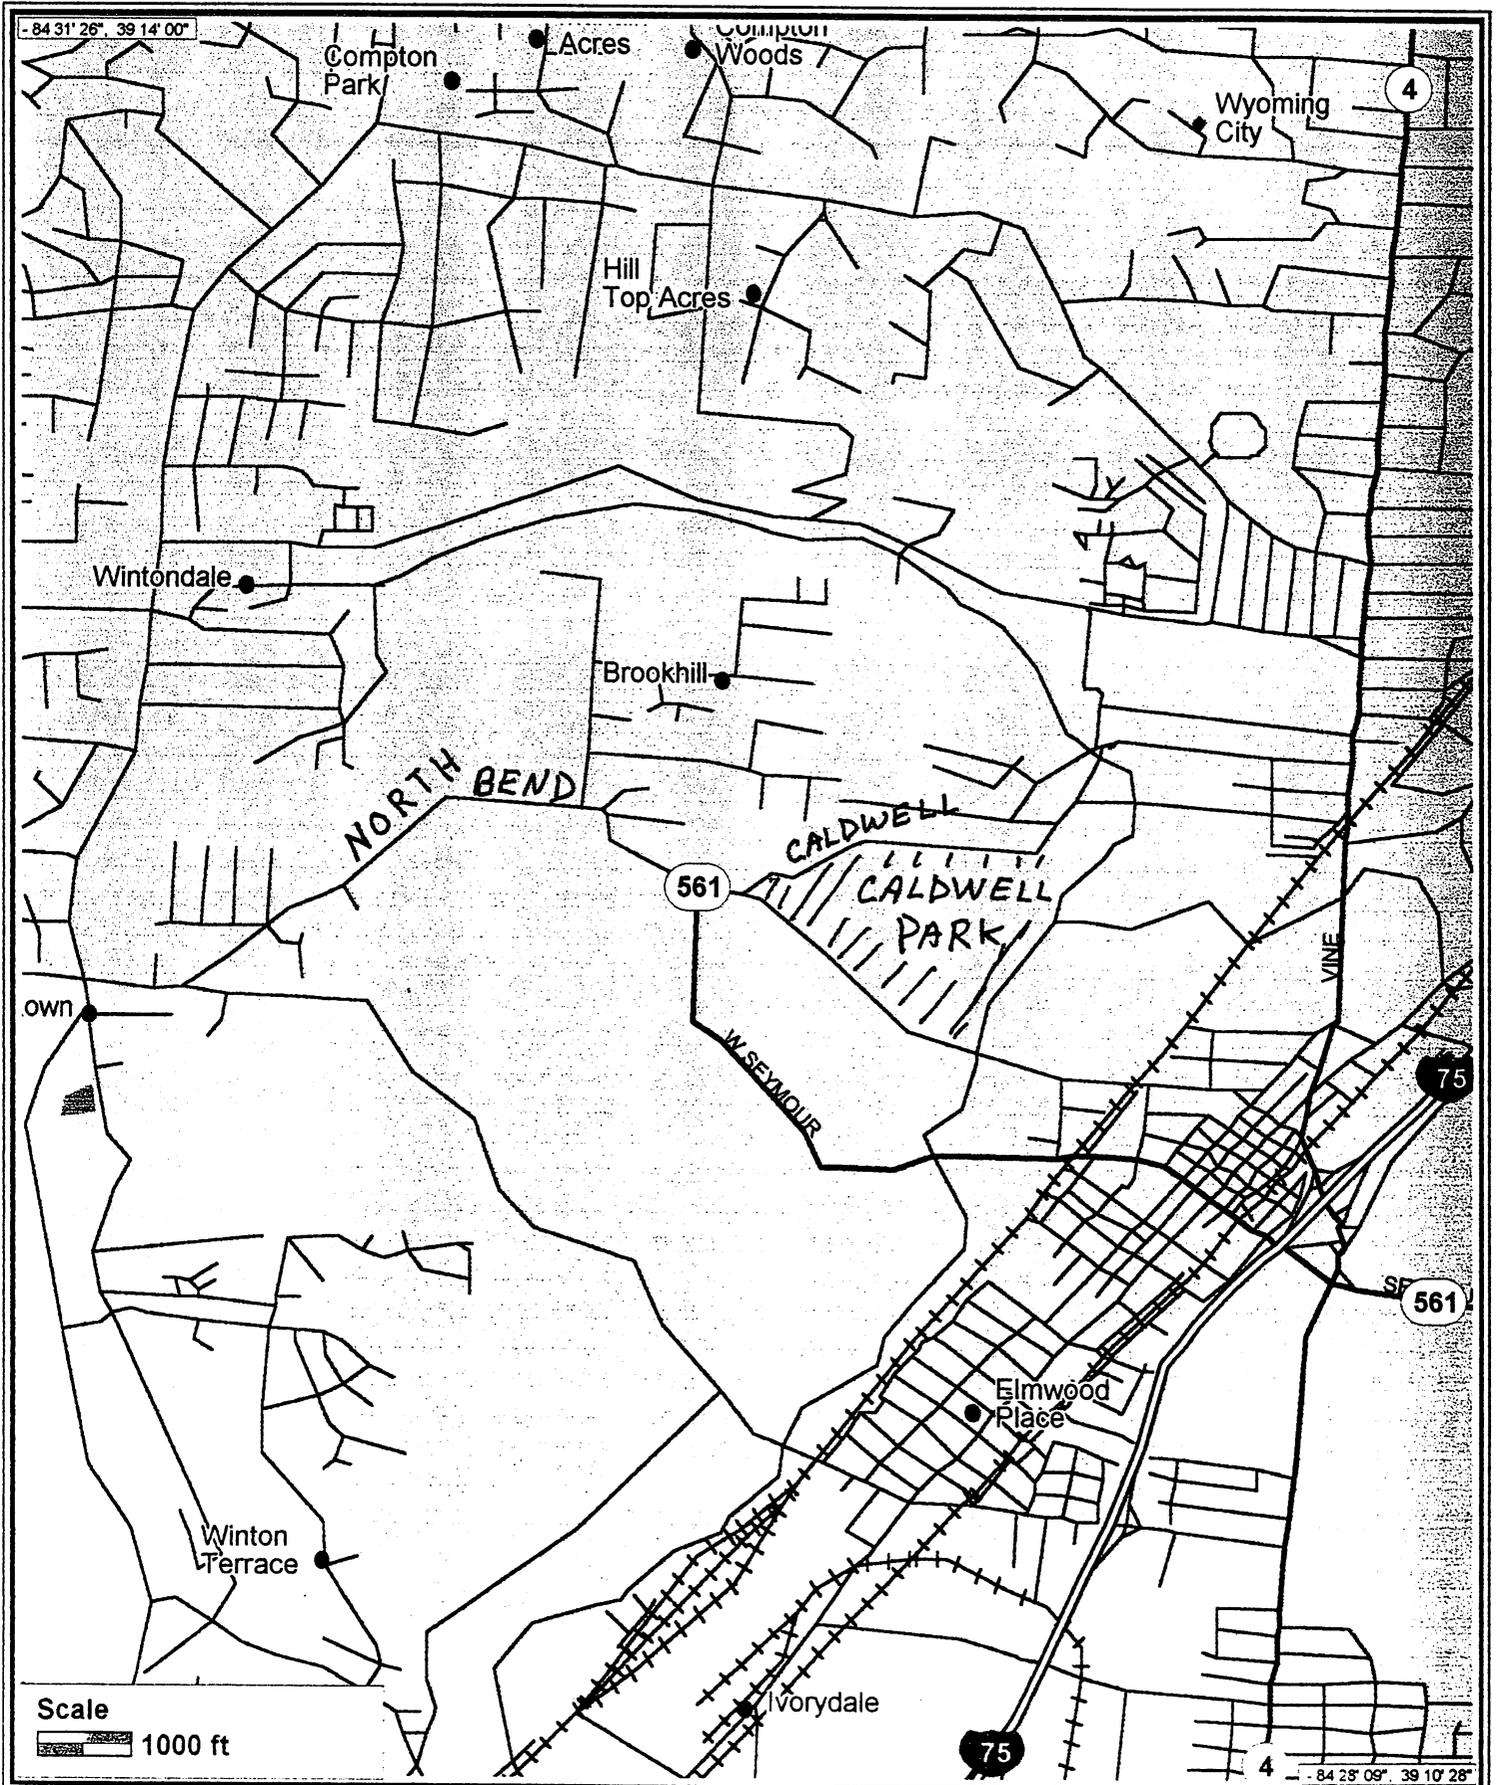

Just a week later September 30th, our club will be participating at the Sharonville Convention Center for the Tradeshow Productions Computer Show. We have a few volunteers, but need more for this two day show. Please let one of the officers know if you can help.

Don't forget to bring some good food, and an appetite on August 20th!
Happy Commodoring!

CURRENT MAP

Secretary's Report

by Julie Barr

June 2000

The meeting was opened by Dave Witmer regarding the flyer received for the computer trade show on Sat July 29th. A Presidential decision was made for the club not to attend. Notice to attend the Sept 30-Oct1 show to be held at the Sharonville Ohio Convention Center was tabled to the next meeting. Dave had a GO64 mag & demo. An email from Australia Gayelyn Gastoon regarding a CD of Commodore programs at the cost including shipping of \$16 US was discussed. Treasurer balance was believed to be somewhere around \$2734.87. Roger Hoyer had an updated 1581 Amiga list. Ike Greer had deleted one name on the membership list but it has been updated. Under New Buisness the discussion turned to the possibility interest for a picnic for the August meeting. With the low attendance of this meeting everything else was left for the following meeting where there would be a quorum.

JULY 16 00

The Meeting was opened with mention and get well wishes to Dave Witmer's mother having possibly suffered a stroke. Obviously this kept Dave busy and he had no ads on. Dave Witmer did mention he received a c64,drive, and 1702 monitor donation. Steve Winkle has been busy with the garden and yard work Treasure is still believed to be aprox the same, although the Okamose checks are still outstanding. Julia read the minutes of the previous meeting. Roger Hoyer had been vacationing somewheres between Denver and Florida so nothing to announce on publisity. Ed Gase librarian had been busy and had nothing to add at this time. EdGase Newsletter editor had been even busier than the librarian, and inquired if everyone had received the newsletter. Ike said as far as membership there was nothing new. New Buisness included the unanomis vote to attend the Sept30 & Oct1 computer show at Sharonville ConventionCenter, at cost of

\$100. Volunteers were adked for to help be at the booth, one or two agreed. Anyone wishing to help either or part of any day please contact David Witmer. Also voted on was the purchase of 5 of the Austrailia CDS at \$16 each,this is to help with keeping Commodore products available and for our club to use for library, auction items etc.. Thre was an email from Dale Sidebottm had received 2 FD4000 floppy drives looking for bids, currently asking 50 each. Discussion next centered around where to have a covered dish/potluck /picnic for the Aug 20th meeeting Decision was made on Caldwell Park located on North Bend in Carthage Ohio. All officers were installed as slated from previous meeting, which did not have enough officers. Congratulations. Motion was made and meeting broke into friendly converstions.
