Rampantly Rambling
Ruminations

Howdy Fellow Commodore Users!

Instead of our regular meeting at the Norwood Plaza Bingo Hall, we will be meeting at our regular time for our summer picnic as mentioned in the past couple newsletters. The picnic will be held at the same place as last year in Caldwell Playground. It is located at the intersection of Dillward and North Bend Road in Carthage. This park is between Mill Creek and the railroad, so if you crossed both, you went too far. See the enclosed gif for the map detailing the side our picnic will take place. Don't forget your covered dish filled with yummy food. The club will be bringing soft drinks, ice, paper plates, cutlery, cups, and an assortment of chips. Oh, one other thing, bring your appetite, too!

Happy Commodoring!

Dave Witmer

MAPQUEST™

The 4 C'r

THE "FORWARDER'S" 12 STEP PROGRAM - EVERYONE SAY IT WITH ME ...

I will **NOT** get bad luck, lose my friends, or lose my mailing lists if I **DON'T** forward an email!

I will **NOT** hear any music or see a taco dog, if I do forward an e-mail.

Bill Gates is **NOT** going to send me money, Victoria Secret doesn't know anything about a gift certificate they're supposed to send me.

Ford will **NOT** give me a 50% discount even if I forward my e-mail to more than 50 people!

I will **NEVER** receive gift certificates, coupons, or freebies from Coca Cola, Cracker Barrel, Old Navy, or anyone else if I send an e-mail to 10 people.

I will **NEVER** see a pop-up window if I forward an e-mail ... **NEVER --NEVER !!**

There is **NO SUCH THING** as an e-mail tracking program, and I am not **STUPID** enough to think that someone will send me \$100 for forwarding an e-mail to 10 or more people!

There is **NO** kid with cancer through the Make-a-Wish program in England collecting anything! He did when he was 7 years old. He is now cancer free and 35 years old and **DOESN'T WANT ANY MORE POST CARDS, or GET-WELL CARDS.**

The government does not have a bill in Congress called 901B (or whatever they named it this week) that, if passed, will enable them to charge us 5 cents for every e-mail we send.

There will be **NO** cool dancing, singing, waving, colorful flowers, characters, or program that I will receive immediately after I forward an e-mail. **NONE, ZIP, ZERO, NADA!!**

The American Red Cross will **NOT** donate 50 cents to certain individual dying of some never-heard-of disease for every e-mail address I send this to. The American Red Cross **RECEIVES** donations.

And finally, I **WILL NOT** let others guilt me into sending things by telling me I am not their friend or that I don't believe in Jesus Christ. If God wants to send me a message, I believe the bushes in my yard will burn before He picks up a PC to pass it on!

Now, repeat this to yourself until you have it memorized, and send it along to at least 5 of your friends before the next full moon or you will surely be constipated for the next three months and all of your hair will fall out!

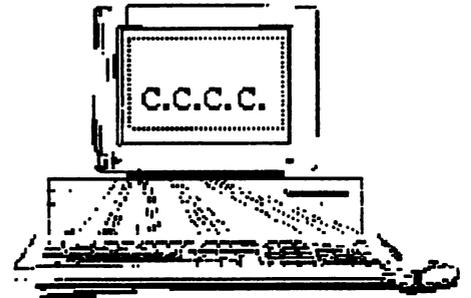

Just Kidding...
