

# Commodore Eight Bit Boosters News Letter

The C65 is REAL!!!  
See & hear the Details!

Yearly Dues \$12.00  
We accept Cash/Checks

Volume 4 Jan 26th, 1994 Issue 1

The CEBB meets monthly at the Beaver Creek Public Library. A short business meeting is followed by a prepared program of general interest to Commodore 64/128 users is presented. At its conclusion, members may enjoy various services such as the Public Domain Software Library. Visitors are always welcome and membership is open to the general public. The Purpose of the CEBB is to help the Commodore 8 Bit computer user enjoy learning more about their equipment.

## Your CEBB Officers

President John Feigleson Vice President Phil Longo  
Sec/Treas Mike Dornbusch 236-5528  
Seniro Board Member Vacant Jounior Board Member Fred Middleton

## LAST MEETING

After the business portion there was a general discussion. The latest copies of Die Hard and Computes Gazette were shown. The Election of Club Officers was held.

## Next Meeting

The next meeting will take place at the Beaver Creek Library on February 24th (Thursday). The doors will open at 6:30pm and the Meeting will start at 7:00pm sharp. There will be some hardware and software for sale as well as a open discussion.

What game is this from?

This newsletter is produced on a Commodore 128D, with a 1581 Disk Drive, Star NX1000C Printer and a 1750 REU. The Desktop Publishing Programs used are GeoPublish and Geos 128 as well as Public Domain Fonts, Printer Drivers and Dos Shells.

## DIE SCHWARZ CAT

(513) 237-0268 BBS System

This BBS serves members of the CEBB as well as the general public. Anyone may log-on. If you have any questions about BBS's, modems or terminal programs just give Mike Dornbusch, who is the System Operator (SYSOP) a call at his *voice number* 236-5528. Mike will be happy to help you get started in the exciting world of telecommunications. If there are any files that you want and do not see contact the Hippo by E-Mail and he will D/L them from Genie or Delphi.

Commodore Eight Bit Boosters does not condone and will not tolerate commercial software piracy. Piracy is illegal and hampers the continued production of quality software for the C64 and C128 platform. All acts of piracy will be reported to the proper authorities.

## *Proposed Meeting Dates*

It has been suggested that the meetings be held at a time more convenient for all to attend. Some have voiced their opinion about evenings verses weekends. We have discussed it at several meetings and need your input. If we meet on weekends we will have to find a suitable location accessible for all members and guest. It will also have to be free or reasonable in cost. We need your ideas on the proposed changes. Please call or contact any club officer or contact the treasurer at his home 236-5528. We will be discussing this matter at future meetings. Please attend and submit your ideas.

## *Membership Dues are here Again*

Here it is that time of year when the membership dues are payable. To better plan the club direction and expand the available software, magazines, and information support, we need your support. Please have your dues paid up no later than the February meeting. If your dues are not paid by then you will only receive a news letter announcing the HamVention and Computer fest. Thanks for your support in the past year and hopefully in the new year.

## *We are looking for Sources*

Yes we are looking for sources for commodore products, literature, software. If you know of any sources where you can purchase new, used, or would like to donate your old items to the club please contact one of the officers. We need addresses of commodore suppliers. Please if you have any information write it down and submit it to the treasurer. We are compiling a list of suppliers to publish for the members and guest who request help.

## *Returns Requested To Library*

The Libraries need all items returned so that they can be labeled and entered into the data base. We are attempting to create a data base on disk where you will be able to get the disk and find anything by title, article, magazine, or category. This will make it easier for the membership to search the library and obtain that article that they have been looking for so long. There will be a brief discription on the article to guide you.

## *Election Results From Meeting*

If you missed the last meeting and haven't read the title page of the newsletter the election results are as follows:

President John Feigleson  
Vice President Phil Longo  
Treasurer Michael Dornbusch  
Jr. Board Member Fred Middleton  
Sr. Board Member To Be Appointed

If you would like to volunteer for Sr. Board member please contact one of the officers for information concerning the appointment.

## *Demonstrations Needed*

If you have something to share with other members, you can present a demonstration at the meeting. To make arrangements contact one of the officers. We normally have a 128/64 system present at the meetings. If you are having problems with software or equipment you can obtain the help you need or we will find the place to get it for you.

## *For Sale/Swap Table*

The for sale/swap items table will be set up at every meeting so if you have anything relating to commodore computers, or printing, software bring it to the meetings. Any for sale items you want advertised in the newsletter, please see that the editor gets a file or copy of the information.

## *Refreshments Suggested*

We are looking for someone to provide refreshments at the meetings. A cold twelve pack of non-alcoholic beverage or a small pot of coffee. If you wish to bring something please let one of the officers know in advance of the meeting date.

## *BBS News*

The BBS Wildcat is down for maintenance. We don't know for how long. One of the drives failed and we are having to replace it. Image will be going down for maintenance as soon as Wildcat is up and running to replace it. Color 64 Version 128 is still on the other node and running. The upload space is small but we plan to run it through the 170 Meg drive that Image is on as soon as possible. There will always be a BBS to answer the phone. Please Byte them not me.

## *Articles Needed for the Newsletter*

Share your articles, software reviews, equipment, and other computing ideas, or experiences with other members. Everyone has had an experience in computing and it may help others. Please submit your articles to be printed in the newsletter. We will publish them to be read by other clubs on the mailing list. We need your articles.

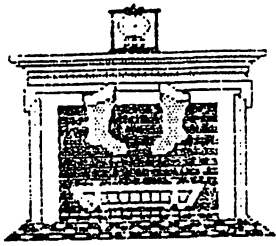

## *For Sale*

For the following items please contact Michael Dornbusch at 236-5528.

Commodore Mps 803 Printer	\$35.00
Okidata model UB3A Printer	75.00
Tandy Model DWP-210	offer

A note from Phil:

We have the special holiday addition of PD print shop graphics ( 2 disks/ 3 sides) ready for distribution at the meeting. More holiday graphics disks are in work for future additions for the year.

Also, Gary Labels V3+ was donated to the library by Pat Collins. I will have copies made for the meeting. Thanks go to Pat.

If you have anything you would like to share with us, please do so. Contact John, Mike, or me for submissions to the news letter.

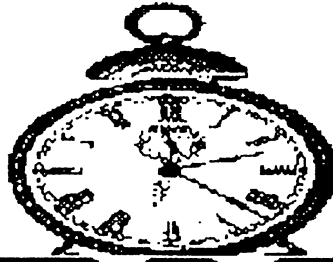

Guess who, what programs (3) and what machine produced the 1994 calender in this news letter and win \$25. Entries must be to me by the Feburary meeting in writting and you must be a "94" member.

There will be 2 give-aways at the meeting this month. (two commercial programs)

See ya at the meeting . Phil

Merry Newyear!!!!
